

# MARK WARREN L. FLORES

Entry-Level Technology Candidate | Web developer | IT Support
09153964829 | markwarren442@gmail.com |Quezon City

## SUMMARY

Seeking opportunities where I can contribute to the company's success while applying my knowledge and skills in Information Technology. I am eager to continuously learn new technologies, enhance my technical expertise, and grow professionally while delivering reliable and innovative IT solutions

## WORK EXPERIENCE

**DEPED SCHOOL DIVISION OFFICE OF QUEZON CITY** **January – April 2026**

•Built an automated Daily Time Record (DTR) system to replace manual attendance tracking.
•Upgraded the system's backend from core PHP to Laravel to improve performance and scalability.
•Provided comprehensive IT and hardware support for standardized exams at Quezon City Science High School.

## PROJECT EXPERIENCE

**CAPSTONE THESIS PROJECT - BARANGAY SYSTEM (WEB PLATFORM)**

•Developed a Web-Based Information Management System for Barangay 399 featuring resident profiling, blotter, and complaint modules.
•Built and hosted the application using PHP, MySQL, HTML, CSS, JavaScript, AJAX, and Hostinger.
•Improved administrative efficiency by digitizing paper-based processes and centralizing records.

**INTERNSHIP PROJECT – ATTENDANCE MONITORING SYSTEM (WEB PLATFORM)**

•Built an automated attendance monitoring system using the Laravel framework to replace manual time tracking.
•Designed and managed a MySQL database to efficiently store, organize, and retrieve employee records.
•Ensured robust system security and data integrity through rigorous testing and secure backend architecture.
